PARENT REMINDERS AND INFO!!!

1. Our annual **PRE-K GRADUATION** ceremony will be on **Tuesday, May 22nd at 7pm**. Like last year, the ceremony will be held next door at the Church of Jesus Christ of Latter Day Saints. They have been so generous in allowing us to use

their facility each year for our pre-k graduation ceremony and our Christmas program! I sent out the invites this week by e-mail. **Remember: the pre-k graduation ceremony is only for the kids who will be going to kindergarten this fall (2018).**

2. **If you are planning on disenrolling your child for the summer please let us know as soon as possible what day will be their last day.** We have a waiting list and we'd like to be able to tell those people whether or not they'll have a spot this summer. Thanks for your help!
3. **This reminder is for the parents of the school-agers who will be taking part in our summer camp program this summer:**

*Your activity fee (\$200 for a full-time child) will be due by Friday, May 25th. This is the fee that will cover the cost of all of the field trips this summer. I will bill your account for this fee on Monday, May 21st. (If you're going to be part-time this summer, stop by the front desk and we'll figure out your activity fee rate).

*Don't forget to go to our website to take a look at the summer camp field trip calendars for the entire summer. Miss Amanda has planned a summer full of fun field trips and activities!! Also, the summer camp newsletter is there for you to read through. If you're new to the summer camp program this newsletter has a lot of valuable information for you. The website is LITTLELEARNER.NET. Just go to the school-agers tab and scroll down for the newsletter and calendars.

THANK YOU!!!

We want to thank the Maciejewski family for donating books and the Kain family for donating toys to the center. We really appreciate your donations!!!

DONATIONS NEEDED

We are running very low on plastic grocery bags. We use them to send dirty clothing home in. If anyone could donate any we would be grateful. Thanks!!

Also, the toddler room is in need of a toy kitchen set. If anyone knows of someone who might have one to donate the toddler teachers would really appreciate it. Thank you!
